THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P.K. THUNGON): (a) and (b) DDA has reported that the condition of roads of 30 Mtr. ROW is quite satisfactory. However, other roads / lanes require some improvement.

(c) Tenders for renewal and premixing coat have been invited.

(d) Yes, Sir. Residents had complained regarding non-existance of the road side drains and also repairs to the roads.

The work of road side drains and necessary repairs of roads have been undertaken.

(e) Question does not arise in view of reply to (d) above.

Condition of Roads in Rohini

3380. MAULANA OBAIDULLAH KHAN AZMI: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether the condition of 30 metre wide roads in Rohini is very poor and they are full of potholes and without any proper drainage systems;

(b) whether most of these roads,which were constructed in May, 1992 and which were of only one centimetre in thickness and therefore washed away by rains in July, 1992;

(c) if so, the reasons therefor and details thereof;

(d) whether DDA had fixed a target date of constructing all these roads by 31st May, 1994;

(e) if so, whether they have been constructed with the stipulated time; and

(f) if not, the reasons therefor and action Government propose to take in the matter for *early completion of all these roads in Rohini as* the bad conditions of them is causing a lot of inconvenience to the residents of the area?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P.K. THUNGON): (a) to (c). The 30 metre wide roads in Rohini were constructed by DDA in 1980-81. These roads were taken over by PWD, Govt. of NCT of Delhi in 1993 for maintenance/repairs.

The DDA has reported that the roads were constructed according to laid down specifications and were not washed away by rains in July, 1992.

(d) No, Sir, as the roads in question stand transferred for maintenance/repairs to PWD, Govt. of NCT of Delhi.

(e) and (f) Do not arise in view of (d) above.

Beautification of Delhi

3381. SHRI O.P. KOHLI: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) the total amount sanctioned for the beautification of Delhi during the years 1991, 1992, 1993 and 1994 respectively;

(b) whether the sanctioned amount had actually been spent; if not, the reasons therefor;

(c) by when the construction works are likely to be undertaken;

(d) the number of roads under the maintenance charge/control of the Central Public Works Department (CPWD) and the Delhi Development Authority (DDA) separately in Delhi and how many of the roads have become un-useworthy and the measures taken to repair them;

(e) whether the Delhi Development Authority and Central Public Works Department (CPWD) have taken steps for the development of green areas in their jurisdiction in Delhi;

(f) if so, the details thereof; and

(g) the steps taken to check the encroachment on green areas?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P.K. THUNGON): (a) to (c).The Municipal Corporation of Delhi and the Delhi Cantonment Board have intimated that an amount of Rs. 472.85 lakhs, Rs. 396.67 lakhs, Rs. 422.65 lakhs and Rs. 406.88 lakhs were spent during 1991, 1992, 1993 and 1994 respectively. The Delhi Development Authrotiy and the New Delhi Municipal

Council are maintaining their accounts financial year-wise and the amount sanctioned and actually spent during 1991-92, 1992-93 and 1993-94 is as under:—

(Rs. in lakhs)

	1991-92	1992-93	1993-94
Amount sanctioned	2974.26	3351.10	3553.49
Amount Spent	2394.49	3014.94	3571.75

The minor shortfall in the amount sanctioned and spent by the DDA during 1991-92 and 1992-93 is due to certain civil and electrical works.

(d) The Central Public Works Department have no roads under their control. There are 56 roads under the maintenance charge of DDA and none of them is unuseworthy. Repairs are undertaken regularly as and when required.

(e) and (f) No new development of green areas is being taken up by the Central Public Works Department. Steps taken by the DDA for the development of green areas in their jurisdiction duing 1991-92 to 1994-95 is as follows:—

(i)	Plantation	—	32,10,944
(ii)	Development of Lawns	—	849.15 acres
(iii)	Children Parks	—	107 Nos.

In addition, 11,608.21 acres of green area is under regular maintenance of DDA.

(g) Prompt action is taken for removal of encroachment. Boundary walls are constructed and strict vigil is maintained for prevention of encroachment.

Shortage of Unfiltered Water in South Delhi

3382. PROF. VIJAY KUMAR MALHOTRA: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether there is acute shortage of unfiltered water in Government colonies in South Delhi;

(b) whether Government propose to install shallow tubewells to augment the unfiltered water supply;

(c) the number of tubewells installed to supply potable drinking water in R.K. Puram, Sirinivaspuri, Moti Bagh etc. and to reactivate the idle lying tubewells;

(d) whether in the absence of adequate availability of unfiltered water the horticulture wing of CPWD is getting an excuse not to work;

(e) the number of parks that had been identified by CPWD for development into model parks; when these were identified and whether till now there has been no development in these parks; and

(f) if so, the reasons for this slackness and the steps being taken in the matter?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI P.K. THUNGON): (a) During summer season, shortage of unfiltered water have been noticed in some areas of South Delhi.

(b) Yes, Sir.

(c) No tubewells have been installed to supply drinking water in Srinivaspuri and Moti Bagh. However, four tubewells have been installed in R.K. Puram.

(d) No, Sir.

(e) and (f) During 1992 and 1993 eleven parks were identified by the CPWD for development into model parks. While ten of these parks and open spaces have already been developed, these parks are reported not to have come up to the desired standard due to damage by stray cattle, tresspassers and due to scarcity of unfiltered water during summer seasons. The position is being improved by the Central P.W.D. through planting of trees, shrubs and patch-grass. One of these parks could not be developed in the absence of a fencing around the site.
